**ABI-N MEMBER SPOTLIGHT
INTRODUCING:**

**SHAWN
WILLAMS**

**New Cd Release:
Shawn williams**

" Alive"

Shawn Williams ... was born to write songs. Growing up in a family where music was a priority, Shawn began playing guitar at the age of five and piano at nine. Choosing to focus on singing throughout his teens and early twenties, Shawn was in and out of many accomplished bands around the Tampa, Florida area.

Determined to pursue his life-long calling to write music to honor Christ, the young artist boldly packed up his family and relocated to the Nashville, Tennessee area.

**ABI-N
SUPPORTS
THE
FOLLOWING
ORGANIZA-
TIONS:**

**UNITY IN
THE
COMMUNITY**

A non-profit organization that provides funding for medical prescriptions for children whose parents cannot afford to purchase the prescriptions. For more information, please contact:

**ABI-N SUPPORTS THE
COMMUNITY COVENANT**
Join ABI-N in supporting our active military, veterans and their families.

His most recent album, "ALIVE", is the culmination of a year and a half of writing and recording with close friend and producer, Mike Conway. Shawn's songs cover many themes, from personal healing to celebrating the Love and Mercy of Christ.

SHAWN'S ALBUM "ALIVE"

"From beginning to end, the album holds it's listener in a jubilant, well-textured atmosphere of sound switching at times from loud and fast to beautifully melodic, Each song offers a uniquely controlled yet emotional vocal delivery."

"Shawn's musical style is eclectic touching on rock, blues, jazz, but the end result is a thoroughly unique spiritual blend of styles. Shawn has a very intriguing voice that ranges from soft and low to loud and high in the falsetto range."

When asked where he gets his inspiration, Shawn says *"I always start with prayer, and then the songs just seem to write themselves."*

His song "Dream" is beginning to receive National play and is a must for everyone to hear.

There is no doubt that we will be hearing a lot more from this talented young artist in the years ahead.
